

EXCITING NEW AND IMPROVED BENEFITS FOR YOUR COMPANY PIABC MEMBERSHIP

The Board of the Professional Investigators Association of British Columbia (PIABC) is excited to offer our Company members **new and improved membership benefits for you and your employees!** With a Company membership your Investigators will also enjoy membership this year, for no cost to them! **Act now!**

We understand that these are challenging times and you have a need to provide additional employee development and retention opportunities and to do so without straining your budget.

We are pleased to announce our new Company membership codes program which will be offered for this membership year as a pilot program. Each Company member will receive a membership code which can be shared with qualified employees towards their individual (full) membership or renewal in the PIABC*.

Our Company members can share the codes with any member of their team, and they can be used by Investigators applying for an individual PIABC membership fee for 2022. There will be a code for new memberships, and a code for renewals issued to your company. This means that by joining as a Company member you will be able to provide a promotional code for individual Investigators to become members of our PIABC, or to renew their membership, and they will enjoy all of the professional development and educational opportunities that are offered to any member.

Give your Investigators the professional development they crave at no additional cost to you as Company member. Sign up now as a Company member for \$200.

We hope that this value-added opportunity to help your employees develop themselves as professionals will be seen as a positive benefit to your individual employees and a great opportunity to reward your investigators.

We will reevaluate the program following this membership year. So don't delay, take advantage of this wonderful time limited opportunity with a Company PIABC Membership.

Sincerely,

The Board of your PIABC

**Company members may share the code with any member of their team qualified to apply for a new or a renewal Individual membership in PIABC. Codes which are publicly posted or shared with those not associated (employed as a direct or contracted investigator) with the Company member may be rescinded and memberships cancelled for non-compliance with the program.*

\$200 **Become a Corporate Member**

\$90 Value **1 Individual Membership (for a Primary Contact) Included**

No Cost **Unlimited Individual Memberships for Your Employees**
